# Reception Homework

## Week Beginning Monday 9th November 2020

### Literacy

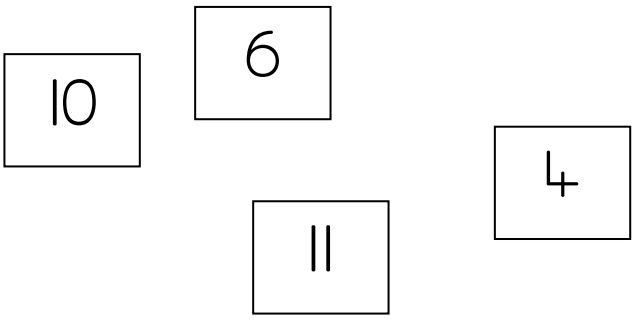
Continue writing your name. Remember to only use a capital letter to start your name.
Now start writing both of your names, this is called first name and surname.
We love singing rhymes in class and listening to stories that containing rhyming words. Try using the letters we have been learning (m, a, s, d, t, i, n, p) to create a rhyming string of words; sad, dad, lad … Try to say as many as you can. If you can try writing them down.

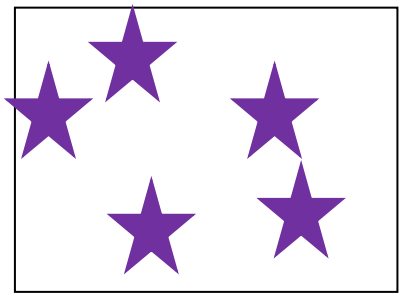
### Practise changing clothes.

Please try to put on your own coat and do up the zip, after it has been started. Try to hang up your own coat on a hook. Learn how to fold your clothes after you have taken them off as this will help you not lose your clothes when we do PE.

### Number

We are now placing a value of a set of objects to a number. This week we would like you to write the numbers 1 – 20 on separate pieces of paper. Spread the cards out on the table and choose 1. Can you draw that quantity on another piece of paper?





Try playing snap or memory match with the cards.
We are also learning to compare quantities by using the vocabulary' 'more' and 'less'. Choose quantity cards and see if you can spot which is more and which is less. If an adult can take a photo of you working and send it to:

Sunshines@marshill.bham.sch.uk
Rainbows@marshiill.bham.sch.uk

We are enjoying seeing the fun you have learning at home.

Thank you,
The Reception team
