Writing: Write nouns on small pieces of paper.

(You can look at the nouns you drew last week)

Discuss and sort each noun into groups. Ask your

child 'Is it the name of a place?' E.g. Birmingham

'Is it the name of a thing?' E.g. a pen.

Is it the name of a person? E.g. cousin, teacher.

Discuss how **nouns are naming words. Nouns name people, places and things.**

Please explain that special naming words have capital letters. E.g. their name, the days of the week. Please practise spelling and saying the days of the week. When spelling please remind your child the size of the capital letter is important.

Start special nouns with a capital

letter. Sit your letters on the line.

Make sure you are following the

correct formation for each of your letters.

Maths

This week in maths we would like you, once again, to count to 100 then count backwards from 100.

Ask your child to say a 2 digit number e.g. 26.

encourage them to count from 26 to 100 Can

they count backwards and remember to stop at 26?

Please can you write the number in words on

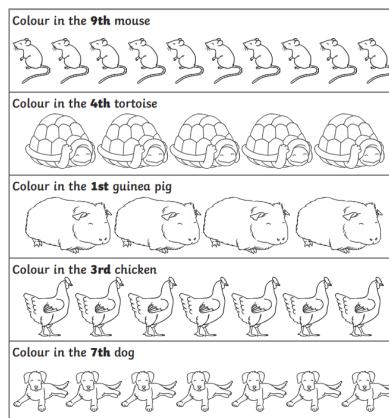

different pieces of paper from 1-20. Place the

paper in

different places around your home and encourage your child to read the words.

We have also learnt about ordinal numbers in Maths
