Maths

This week in maths we have introduced take-away. Please discuss that the term subtract,

subtraction and minus is the same as taking away. Using everyday objects, sweets or biscuits

Take the time to have fun doing practical

subtractions. Show your child a few examples like

$$10 - 5 =$$

$$10 - 8 =$$

$$11 - 6 =$$

Can your child draw or picture to show a couple of examples

Discuss how first they need to count
