Close Reading Complete the wordsearch based on this week's key words. Select two of the words and write sentences using them correctly in context. Answer the questions on Sheet 2 based on the Adrenaline Towers text (Sheet 1). Remember to use the APE system to help you to frame each part of your answer: Answer it – what is your answer-concise and precise Prove it- choose a relevant quote which helped you to answer the question Explain it - how the quote helped you to answer the question.	**English** Grammar: Click on the link below to access today's lesson: To explore complex sentences (thenational.academy) Continue to apply your knowledge about main and subordinate clauses by identifying and correcting errors in the examples given and then writing your own sentences. Handwriting: Copy and complete the handwriting examples given on Sheet 3. Pay particular attention to the consistent size of the letters a, r, y, and c.	*Break*	**Maths** Starter: Practise your times tables by completing the grid on Sheet 4. Time yourself…how quickly can you complete it? Main objective: Yesterday we used our times tables knowledge to complete multiplication calculations. Today, I have partially completed the questions but some of the digits from the answers are missing. Can you work out what they are? Use the digits in the calculation to help.	*Lunch*	**Art** This half term, we will be studying Claude Monet and his paintings. Today we will research about him and his style of painting so that we can emulate it in future weeks. Can you research him and find out: When was he born? Where did he live? Which subjects did he often paint? Which materials did he use to paint? When did he die? The last page of this document is some of Monet's paintings. Choose a painting and evaluate it. Try to comment on the following: • What impression do you get from the picture? • Which colours has Monet used and why? • What do you like about Monet's paintings? Why? • What do you not like about Monet's painting? Why?

Please send your completed work to 6C@marshill.bham.sch.uk / 6KC@marshill.bham.sch.uk
English and Maths to be emailed by 12.30pm
Foundation work to be emailed by 2.30pm
This is to allow staff to respond to work completed daily.

ADRENALINE TOWERS

Looking for an exhilarating adventure to fill a day out? Stuck for ideas to entertain the WHOLE family? Tired of your children saying they are bored? Well, look no further…England's newest thrill-filled theme park has landed!

This exceptional, one-of-a-kind leisure resort is home to some of the most widely anticipated adventures. Adrenaline Towers, which opens next month, truly has something to entertain the whole family.

Combining an amazing montage of white-knuckle rides, including the tallest rollercoaster this side of the Atlantic (at a whopping 325 feet) with the entertaining character-themed attractions for our younger guests, we promise no-one will leave dissatisfied with their experience…or your money back! Our rides are simply breath-taking on every level and are the best this country, and indeed the world, has seen in years. You simply must plan a visit!

Perpetual Python – the ride of the future – slithers in to action at an electrifying 65 mph for over a mile-long track. It's massive. It's powerful. It's a whole new species of coaster. The tallest, fastest and only 4D experience coaster in the world is waiting for you if you can handle it! Even if you're not a fan of the wild thrills, there are plenty more slower-paced attractions based on much-loved current TV characters and programmes, vibrant stage shows, mouth-watering food courts and ample open areas to take a much needed break from the world.

Josie Burnett (from magazine Great Days Out UK) believes this is the best form of tourist attraction to hit our country for decades: "The attention to detail to ensure all guests are catered for is truly exceptional. I dare anyone to leave unhappy. Tickets to this facility are going to be widely sought after so get in there quick!"

Because we value your enjoyment so much, if you buy your tickets before the end of May we will offer you the perfect price: 20% off your gate entry for the whole of June; what's more a free return voucher will also be included!

Adrenaline Towers will definitely change your view on days out forever – you'll never want to go anywhere else again. Booking bargain tickets early is essential not just advisable – they will sell quickly! You don't want to be the ones who miss out! So, what are you waiting for? Book yours NOW!

Sheet 2

Example question:

Does the author believe that Adrenaline Towers is special?

Answer it – *Yes.*

Prove it – *The author says that the theme park has "*the tallest rollercoaster this side of the Atlantic (at a whopping 325 feet)".

Explain it – *The quote proves that the author believes that the theme park is special because it has a record-breaking attraction.*

Questions:

1. Is Adrenaline Towers different to other theme parks, in the author's opinion?

2. Does Josie Burnett expect the park to be popular?

3. What is the author's opinion about Adrenaline Towers?
