

Reading:

Can you find information about Space Travel?
Rockets are a very fast method of transport. What words can you read that link to space travel.
When did we first go to the moon? How long does it take to travel to the moon? What would you expect to be able to do on the moon?
Read a non-fiction book about space – The dinosaur that pooped a planet. How did they get into space? Would this really happen?

Writing:

Draw and label the emergency vehicles that are used in Birmingham.
How many different types do we have? Which is the fastest? Why is it important for them to be fast? What do they use to tell us they are coming?
Have you ever ridden in an emergency vehicle. What was it like?

Phonics: Weekly RWI lessons are online

<https://www.ruthmiskin.com/en/find-out-more/help-during-school-closure/>

https://www.youtube.com/channel/UCo7fbLgY2oA_cFCI9GdxtQ

PE: *PE with Joe workouts at 9am on YouTube daily.

Healthy choices: Find out about an Olympic Event and an athlete that competes in this event. What do they eat. How much exercise do they do? How long did it take them to reach this level? Why did you choose this athlete and event?

Maths:

Shopping - Last week we only bought one item and gave change to 50p. This week can you buy two items. Add them together and then find the change. Remember don't use very high numbers try to add numbers together within 10p at first then build to 20p. Start giving change within 20p then build up.

Understanding Of the World:

Make links to our writing activities and transport. Who are our emergency services what do they do to help us? Describe their job and the importance of them in the community.

Home Learning Tasks

Week beginning:

22.06.20

EYFS

Topic – Transport

**Marvellous Me badges and house points will be awarded for each task you complete!
See how many you can**

Expressive Arts and Design:

To discuss features of a rocket then use junk modelling to create own rockets or other space transport.

Online Learning:

RE/Values: Understanding

Design a poster to tell your Year One teachers what you have learnt in Reception and what you want to learn next. This will help the teachers **understand** what you like learning.

You can use the following class email addresses to send photos of completed work rainbows@marshill.bham.sch.uk or sunshines@marshill.bham.sch.uk. You can also upload to our school twitter page @marsh_hill

If you need any support, please email your class email address and a reply will be sent to you within 24hours.

We look forward to seeing this week's work!

Mrs Nehar, Mrs Romp and Mrs Holmes

Computing: Use Purple Mash and Active Learn to continue to read books and online maths activities.

Design a journey into space. Where are the planets?
