Maths:

Distance: Discuss what it means and how this relates to us every day – What distances do we travel? How do we travel? Why might we have to travel long or short distances? What does a long and short distance look like?

Activity Use toy cars to show which can go furthest and which are the nearest,? Which was faster or slower and how can we tell?

Home Learning Tasks

Week beginning:

29.06.20

EYFS

Topic – Transport

Marvellous Me badges and house points will be awarded for each task you complete! See how many you can

Understanding Of the World:

Research firefighters, what is their job? What from of transport do they use? What do they wear and how do they help us?

Expressive Arts and Design:

Use various resources and junk modelling to create a fire truck, what can you use for the wheels, ladder, windows?

RE/Values: Understanding.

Continue to help your new Year 1 teachers to help "understand" more about you and the things you like to do. You can make a drawing, write some captions, make a story map, or a painting to show more about you.

Computing: Use Purple Mash and Active Learn to continue to read books and online maths activities.

Can you design your own form of transport on Purple mash?
