## Home Learning Tasks

Week beginning:

5.10.2020

EYFS

Topic – Ourselves

**Marvellous Me badges and house points will be awarded for each task you complete! See how many you can do.**

**Understanding Of the World:**

We are now in October.

What have you noticed has changed now October has started?

Why do you think this has happened?

Talk to your family about the things that you have seen. If you go on a walk can you find things that help us talk about this time of year?

**Expressive Arts and Design:**

Like us animals do things differently at this time of year.

Think of an animal that might be doing something very special in this season and draw a picture of it.

Why do you think they are doing this?

**RE/Values: Black History Month.**

How can we make sure we value everybody's achievements? Do you have a hero that has had to work harder than anyone else because they may have a different colour skin? Can you find out some information to share in class.

**Computing:**

Make a list of the things in your house that might be run by a computer. Be careful some might be hidden.
