Maths: Time vocabulary

Continue learning days of the week and months of the year. Write a diary of something you have done use the language; before, after, next, then.

Focus: Measurement. Can you find objects in your house and place them in order of size? What is the shortest thing, what is the tallest? Is anything smaller than a bean seed?

Writing: Role play and write captions and phrases about the story of Jack and the Beanstalk, discuss thoughts and feelings. How did they change? Why was mum so cross when Jack didn't sell the cow for food? How do you feel when you do something wrong?

Challenge: Can you describe the giant? Draw a wanted poster for the giant. What would people have to watch out for?

PE: *PE with Joe workouts at 9am on YouTube.

<https://www.youtube.com/watch?v=65dEHYsxTGc>

Act out the movements that Jack would need to make when moving up and down the beanstalk and sneaking around the castle.

Understanding Of the World:

Watch a Time Motion clip of how a bean grows from a seed.

Draw the images in order. What things did the seed need to survive and grow?

Plant a seed from a piece of fruit. Melon, apple, tomato, pepper. Watch it grow. Can you measure it. Take a photo at each stage, send it to the email address.

Expressive Arts and Design:

Create a castle den using anything you can find. Would it be a good place for a giant to live in? Could Jack use it to hide in? Can you make it big enough to share with mum or dad? Take a photo and email it.

RE/Values: Value this month is Appreciation. How do we show appreciation? What do you do that makes someone appreciate you? Write a message to a friend saying what you appreciate about them.

Computing:

Use Purple Mash and Active Learn to continue to read books and online maths activities. Try these games out.
