Make notes about what you find

Friday: Produce a poster about the ships containing all the facts you found yesterday.

### Writing

Last week you wrote a diary about 'Wolf War' (available for you to read on Fiction Express). You wrote about how Peter had seen a wolf but that Cooper and Nela didn't believe him. We finished the text last week with Peter deciding to go and search for the wolf.

Tuesday: Make a mind map, what could happen next in the story if Peter goes looking for the wolf? Will he find the wolf? What will it do?

Wednesday: Plan your diary entry, split it into three paragraphs: Paragraph 1: preparing for the search- what did you take? What did you hope to find? Paragraph 2: the events – did everything go to plan? Paragraph 3: what will happen next? What will you do tomorrow?

Thursday: Write your diary. Remember to include: capital letters and full stops, paragraphs, a variety of punctuation including: , ! ? ( ), expanded noun phrases, conjunctions, past and present tense

Friday: edit and redraft your diary entry. Remember to check your writing against the success criteria.

Tuesday: I have allocated you some activities based on finding percentages of amounts. Watch the videos to help if you need it but remember the steps of first finding 10% and 1% of an amount.

Wednesday: Solve the problems based on calculating with fractions.

Thursday: Solve the reasoning problems based on skills we have learnt this term – there is a mixture!

Friday: Remember to keep practicing your times tables: you can complete this using your TT Rockstars login at [www.ttrockstars.com](http://www.ttrockstars.com).
