

# Maths Homework

Week Beginning:

19.10.2020

**Year Six**

**Topic – World War 2**

Mr Chikandwa's Group

[www.mathletics.com/](http://www.mathletics.com/)

The work assigned to you is based on factors of numbers and algebra. Should you find any part of the work difficult to understand, please feel free to ask for help.

Mr Kinson's Group

[www.mathletics.com/](http://www.mathletics.com/)

This week's work which has been assigned to you involves rounding numbers to the nearest whole number (integer), 100 and 1000.

Mrs Clover's Group

Add these decimal numbers together, using the column method:

$$23.45 + 42.15 =$$

$$46.28 + 35.49 =$$

$$84.26 + 63.24 =$$

$$65.16 + 65.84 =$$

Subtract these decimal numbers, using the column method:

$$46.23 - 13.12 =$$

$$48.95 - 24.84 =$$

$$36.73 - 15.82 =$$

$$75.61 - 24.45 =$$

Multiplication / Division Facts:

Practise the times table you are currently learning (don't forget the related division facts!). Remember, ten minutes practise each day is much more useful than one hour, once a week. You can practise online using: <https://ttrockstars.com/>

Please complete your work in the homework book provided but do not return this to school, instead send photos to your class email address. We will send a Marvellous Me Badge when you have shared your completed homework.

You can use the following class email addresses to send photos of completed work: [6C@marshill.bham.sch.uk](mailto:6C@marshill.bham.sch.uk) or [6KC@marshill.bham.sch.uk](mailto:6KC@marshill.bham.sch.uk).

You can also upload to our school twitter page @marsh\_hill

If you need any support, please email your class email address and a reply will be sent to you within 5 days.

We look forward to seeing this week's work!

Mr Chikandwa, Mrs Clover and Mr Kinson
