Reading: [Www.activelearnprimary.co.uk](http://www.activelearnprimary.co.uk)

Remember when you have read your book, to click on the bug afterwards. Happy Reading!

Writing: This week the focus - capital letters to start sentences and for children names.

Cut up paper into squares large enough to write one letter of the alphabet on each square. Encourage your child to write the capital letters first then to write the lower case letters. (Please ensure they are forming the letters correctly)

Can your child order the letters of the alphabet?

Play a matching game – your child is to match the lower case letters to the correct capital letter. How quickly can they match the letters?

Discuss when writing names how they start with a capital letter. Can they write family names?

Please continue to encourage your child to use different adjectives (describing words) in conversation e.g. when describing their dinner, the weather etc

Maths

This week we have been adding numbers.

We would like you to practise this at home.

Look for everyday items around your home, e.g your toys or items of clothes.

Can you create additions using them and work out the answers?

Then write or draw your calculations.

They could look like this:

3 blue socks + 2 red socks = 5 socks

6 blue toy cars + 7 green toy cars = 13 cars

3 white cups + 2 blue cups = 5 cups

Don't forget that you can draw your calculations as well!

What about outside? Can you find conkers, leaves, flowers and make some additions with these?
