

Maths Homework

Week Beginning:

16.11.2020

Year Six

Topic – World War 2

Mr Chikandwa's Group

Log onto Mathletics –

This week's home work is based on converting (changing) fractions to decimals

1) $\frac{1}{3} =$

2) $\frac{4}{5} =$

3) $\frac{1}{3} =$

4) $\frac{8}{10} =$

Continue to practise your knowledge of multiplication facts and division.

Mr Kinson's Group

Log onto Mathletics – there are several activities for you to complete. You can use your homework book to record jottings if you wish.

Rehearse your x7 and x8 please, including the division facts.

Mrs Clover's Group

Log onto Mathletics – there are several activities for you to complete. You can use your homework book to record jottings if you wish.

Rehearse your x3, x4 and x6 timetables please!

Multiplication / Division Facts:

Practise the times table you are currently learning (don't forget the related division facts!). Remember, ten minutes practise each day is much more useful than one hour, once a week. You can practise online using: <https://ttrockstars.com/>

Please complete your work in the homework book provided but do not return this to school, instead send photos to your class email address. We will send a Marvellous Me Badge when you have shared your completed homework.

You can use the following class email addresses to send photos of completed work 6C@marshill.bham.sch.uk or 6KC@marshill.bham.sch.uk.

You can also upload to our school twitter page @marsh_hill

If you need any support, please email your class email address and a reply will be sent to you within 5 days.

We look forward to seeing this week's work!

Mr Chikandwa, Mrs Clover and Mr Kinson
