Maths Homework

Week Beginning:

2.11.2020

Year Six

Topic – World War 2

Mr Chikandwa's Group

Log onto Active Learn – there are some tasks waiting for you.

Mr Kinson's Group

Using your knowledge of negative numbers, please complete the questions below:

a) -4 + 2=

b) -5 + -1=

c) 4 - -2=

d) -2 + -5=

Write the next 2 terms of each sequence:

a) 6, 3, 0, -3, …..

b) 15, 9, 3, …..

c) -14, -9, -5, …..

Mrs Clover's Group

We are learning about adding and subtracting fractions this week.

Create a selection of calculations where the denominators are the same, adding or subtracting fractions. Use images to help you – the rectangle or a circle. Remember – keep the denominator the same!

There are some questions for you on Active Learn.

Multiplication / Division Facts:

Practise the times table you are currently learning (don't forget the related division facts!). Remember, ten minutes practise each day is much more useful than one hour, once a week. You can practise online using: https://ttrockstars.com/

Please complete your work in the homework book provided but do not return this to school, instead send photos to your class email address. We will send a Marvellous Me Badge when you have shared your completed homework.

You can use the following class email addresses to send photos of completed work 6C@marshill.bham.sch.uk or 6KC@marshill.bham.sch.uk.

You can also upload to our school twitter page @marsh_hill

If you need any support, please email your class email address and a reply will be sent to you within 5 days.

We look forward to seeing this week's work!
Mr Chikandwa, Mrs Clover and Mr Kinson
