This week we have been learning how to double numbers up to 10.

We would like you to practise this at home.

Ask your adult to give you a number between 1 and 10, then go and find 2 lots of that amount of objects (e.g. toys or conkers). Count how many objects you have altogether to find the double of the original number that you were given.

Can you write the answers to these doubles in your books:

Double 2 =

Double 3 =

Double 5 =

Double 6 =

Double 8 =
