

Home work

Week Beginning:

30.11.2020

Year Three

Topic – Active Planet

English

Spellings: www.spag.com – your username and password is stuck at the front of your homework book

Reading: www.activelearnprimary.co.uk

- Look at Christmas poems and think about how they are the same or different e.g. do the rhyme? are they written in verses? How long are the verses?
- Choose a Christmas poem to learn and share with the rest of the class at the end of next week

Writing:

- Using the Christmas poems you have looked at as inspiration write your own Christmas poem – it can rhyme if you would like it to

Spellings – Guide, early, certain, quarter, surprise, begging, running, dropping, wagged, hummed, runner, hotter

Choose five of these words and use them in sentences – choose a different conjunction from these – (and, so, but, because, when) to use in each sentence to join two ideas or pieces of information together

Maths: <https://play.ttrockstars.com/auth>

- Make sure you visit TT Rockstars to support learning your times tables
- Practise your timetables as above and also on 'Hit the Button' and also use the sheets at the back of your homework book
<https://www.topmarks.co.uk/maths-games/hit-the-button>
- Make up rhymes to help you recall the multiplication facts for the 6x table e.g.
One times 6 is six – go and find the chicks, two times 6 is twelve – make sure you dig and delve

Ask someone at home to give you 2-digit and 3-digit subtraction calculations. You then solve them using the column method. Remember you may need to 'borrow' e.g.

$$\begin{array}{r} 74 \\ - 48 \\ \hline \end{array} \qquad \begin{array}{r} 335 \\ + 148 \\ \hline \end{array}$$

Ask someone at home to give you a mixture of addition and subtraction calculations for you to solve. Watch the signs as they tell you what to do
