Writing

Read the first chapter of 'Five Days to Save Christmas' on Fiction Express (it's a level 2 book). Complete the quiz at the end of the chapter.

Carry out some research about the origins of Christmas. Use the facts that you find to create an information text about Christmas. Use paragraphs and subheadings to organise your facts—think about time order as well (chronological order). Use the writing skills that you've been using whilst in Year 6.

Science

Use the PowerPoint about 'The Human Eye' to begin to understand how we use light to see. Sketch two images of the eye, using the diagrams below as a guide: one sketch shows the eye from the front view and the other sketch shows the internal layout. Label as much information as you can on both sketches.

Spellings: *Correct the errors*

The school trip was to an anshient temple.
Mohammad really wanted to win the compitishion.
Loki, the dog, hated thunder and litening.
There was a worrying sound coming from the vehicle.

Art / D&T

Create a sketch your Anderson shelter design, but make improvements to it. Which other materials could you use? How could you strengthen the wooden supports at either side? What will the entrance look like?

RE / Values

To contribute towards your research about Christmas, [watch this video](#) to understand what the celebration means to Christians.

What does the advent wreath represent?

What does the advent calendar celebrate?

List some Christmas traditions.
