

Reading: www.activelearnprimary.co.uk

Read at least 5 books on Bug Club and complete the quizzes.

<https://home.oxfordowl.co.uk/books/free-ebooks/>

Follow this link to Oxford Reading Tree. How many books can you read?

Choose a book that you have read, write down 5 things that you could tell somebody about it.

Spellings: *be pull once were where meet peep high light you*

If you spell the above try these challenge words:

name shame door Thursday Friday Saturday

Try to put all these words into a sentence using your best handwriting. Remember capital letter to start the sentence and a full stop to end the sentence

Science: Plants

Can you see a tree from your bedroom window? Does it look the same all year round? What will happen to it in the winter? Draw a picture of a tree that you can see now, then draw a picture of what you think it will look like in winter. Try and write an explanation of what will happen to the tree.

Art & DT: Construction

Start collecting junk modelling material. Over the next few weeks have a go at building the vehicle you have designed. (In the same way that we made our animals in class)

We are excited to see what you will create!

Online Learning:

* <https://www.purplemash.com/sch/marshill>

(To do lists will be checked and you will receive a comment for work completed.)

* <https://login.mathletics.com/>

* www.activelearnprimary.co.uk

* <https://www.bbc.co.uk/bitesize>

* <https://whiterosemaths.com/homelearning/year-1/>

Writing: Owl Babies *Read this book again*

<https://www.booktrust.org.uk/books-and-reading/have-some-fun/storybooks-and-games/owl-babies/>

Write your own story

Can you write your own story about getting lost? You can write about yourself or you can write about an animal. Where did your character get lost? How did they get lost? Who were they with? How were they found? Don't forget to use adjectives to make your writing interesting.

Phonics: Weekly online lessons

https://www.youtube.com/channel/UCo7fbLgY2oA_cFCI9gGdxt

Maths: 3d shapes

Go on a shape hunt around your house. How many objects can you find that are cubes, cuboids, spheres, pyramids or cones.

Draw each of these shapes and draw your objects next to them.

Home Learning Tasks

Week Beginning:

18.05.20

History/Geography:

If you were going on holiday somewhere in the United Kingdom, what would you take with you? Draw a suitcase with items inside that you would need. Choose between a seaside holiday, a camping holiday or a sightseeing holiday to a city

PE:

*PE with Joe workouts at 9am on youtube.

* Find the biggest space you have in your house or garden; this space is a river full of crocodiles!

Use objects such as clothes, books or toys that you can safely stand on. Now try and hop, skip or jump across the river using these objects to stop you falling in and getting eaten by the crocs!

Time yourself, how quickly can you do it?

RE/Values: The value this month is: Appreciation

RE: Our Hopes for the Future

Discuss with your adult what is meant by commitment. Are you committed to anything, a team or a club? Do you commit to your schoolwork?

Discuss why you think it is important to be committed to certain things.

You can use the following class email addresses to send photos of completed work 1C@marshill.bham.sch.uk or 1G@marshill.bham.sch.uk.

You can also upload to our school twitter page @marsh_hill

If you need any support, please email your class email address and a reply will be sent to you within 24 hours.

We look forward to seeing this week's work!

Miss Coppock and Ms Grant

Computing: Purple Mash

A 2do has been set for you on Purple Mash.

These will be checked and you will receive a comment for work completed.
