

Reading:

Choose your favourite book. Create a new book cover and write an exciting blurb. I am looking for something new to read so see if your blurb can convince me to choose your favourite story.

Try to read something you enjoy every day.

Science: Living things

Think about how food chains can vary for humans.

Can you create a food chain for a meat-eater and a food chain for a vegetarian?

Writing: Time travel story.

Write a story about being transported back in time!

This can be to any time period. Use the planning sheet on the next page to help you generate some ideas. I look forward reading your stories.

Time Travel

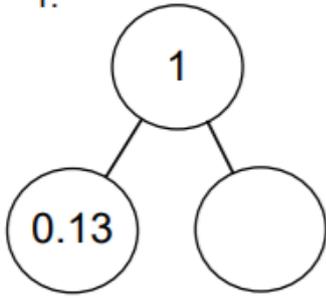

One evening you go to your computer and accidentally press one of the keys you have never pressed before. Suddenly you are transported into a different time! Your task is to write about where you travel to, what the place is like, who you meet and how you manage to get home again.

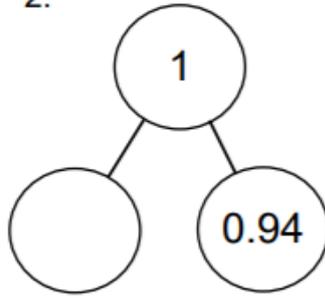

Planning Questions

Where did you travel to and what form did your transport/journey take? (Remember: You can travel back or forwards in time.) What is the place you visit like? Who do you meet? What are they like? How do you manage to get back home?
