

# Reception Homework

## Week Beginning Monday 30th November 2020

### Literacy and Links to Understanding the World.

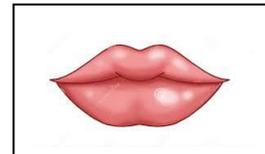

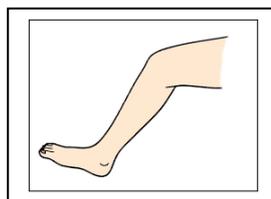

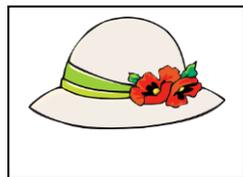

We are continuing with our topic Celebrations. This week we will begin to look at how Christians celebrate Christmas. At the moment we can't celebrate altogether but we can imagine what it will be like when we can celebrate a lovely event with our friends and family.

For Literacy we would like you to think about a wish list for Santa. What presents would you like delivered? Use your Fred fingers to segment and write down your list ready to post to the north pole.

Read and write some Red tricky words!

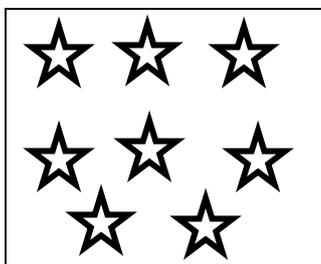

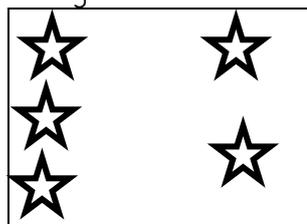

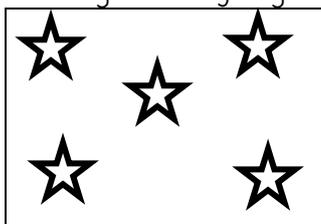

the	to	no
go	l	do
so		

Can you spell some CVC words? What are the pictures? Spell them in your books.

### Number

We are continuing to use our counting skills across the curriculum. This week we are going to look at sets of objects and say if they have the same amount. With an adult try to make a game of memory or snap. Use the sheet with this homework to play games, see if you can find the amounts that are the same. You can also play this with objects you find around the house how many different ways can you re arrange a set of objects. Are they still the same amount although they look different?
