

Reception Homework

Week Beginning Monday 7th December 2020

Literacy

This week we have been looking at alliteration and creating pairs of words that start with the same sound. Try to create a list of CVC words that make a link because of their sound; red rug, big bus, top ted,

We have also used our names to make fun alliterations. Can you make some up for your family? Jumping Jack, Marvellous Mummy, Cute Carl...

Try to write and read some of our green words. We can segment these to help; h i s - his

dad	has	his
put	big	an
at	on	is
if	it	as

Understanding of the World

This week we have continued to discuss the Christmas Story and learning about Christmas traditions, why people have trees and wreaths, etc. Of course they love talking about Santa and what they would like as presents as well as making links to what they had for Eid and Diwali. We are learning to recite the words to the song 'When Santa got stuck up the chimney'. Please could you help them to learn the lyrics of the chorus. You can find this on You Tube. https://www.youtube.com/watch?v=6g_8logVMUQ

Shape

This week we are going to have fun with shapes. We will be learning all about 2D shapes. This week we would like you to learn the names of the 2D shapes; triangle, square, rectangle, circle, hexagon, oval and pentagon. Remember a 2D shape cannot be picked up so ask an adult to draw some of these shapes in your book. Can you name them? Try to think of ways to describe them; a triangle has 3 corners and 3 sides, a square has 4 sides and 4 corners.

Look around your house can you find any things that are a circle, square or a rectangle, etc. Bricks are a rectangle your plate might be a circle.
