Parents/Carers and Governors,
During the month of July, we will be looking at the value of Unity. We will be asking the children to think carefully about what it means to be united and to work together. Children will discuss the meaning behind this value and for those in school will have the opportunity to experience real-life examples of unity in lessons. Gracie explained, “Our school values help us to be the best people we can be.” We believe at Marsh Hill that we are united in our goal to ensure that your child is safe, happy and makes good progress.

Return to school in September
We are cautiously thrilled with the news from the Prime Minister this week that all children are expected to be back at school full time in September. The new term will start on Thursday 3rd September 2020 for all children from Years 1 to 6 and attendance is compulsory. The new Reception children will be coming in gradually and will be individually informed of their timetables.

Re-opening School
This week has seen four year groups in school with around 95 children in on one day and it has been lovely hearing children’s voices around school once again. We look forward to welcoming children in Years 2, 3 and 4 over the next few weeks. You will have been notified this week on the days your child is to attend. The date has now passed for confirming your child’s place and sadly we cannot accept any more children from these year groups. We are also running our key worker group as they currently stand.

Annual School Reports
Next week, your child will bring home the annual school report. For Key Stage 1 and 2 the report includes a teacher assessment for reading, writing and mathematics against National Standards as of March 20 2020. There is a general comment for these subjects as well as ratings for your child’s effort and progress. We are certain you will find these reports helpful. Once you have received the report and if you would like to discuss any aspect of your child’s report then email the class teacher for a telephone appointment by no later than Monday 13th July 2020.

Welfare Calls
Next week will be our final round of calls. We know the staff have enjoyed speaking to the children they have not been seeing and hope that the children have benefited from these calls home too. It will be so much nicer when they can see their teachers in person in September!

Home Learning
As more children have returned to school we will not be providing home learning for week beginning 13th July. However, included in the school reports will be transition activities for the children to complete over the summer holidays.
Zalma's maths work

Henry's Egyptian work

Aarohi's science work

Did you know that we can fit all of the planets between them? There is less gravity on the moon than on the Earth, because of different you have to walk like lamp.
Messages from 1C to all Year 1 children still learning at home..

Ayaan's Geography and Science work
Daisy's independent writing

What Can You See at the Swimming Pool?
Write some sentences about the picture.

The man has a red towel.
The man has got a towel around him.

Toby's Egyptian Pyramid and map work.

Isabelle's favourite sandwich and map work.

Lola's History and Spanish work
**School Uniform**
