

Dear Parents and Carers,

I hope that this newsletter finds you well.

#### PTA

As I mentioned in last week's newsletter, The Parent and Teacher Association (PTA) will be selling ice -lollies to raise money for a summer event at the school. Last week they raised £64.41. I would like to thank all members of the PTA for their support and particularly the parents and staff who set up and sold ice-lollies last week: Mrs. Parveen, Ms. Ryan, Ms Rashid, Mrs Zia, Mrs Kauser, Mr Mustafa, Miss Campbell, Miss Smith, Miss Rodney and Cathy Lomas. The PTA would welcome more parents and carers getting involved. It is a great way to support the school and get to know it better. If you are interested then let a member of staff know or just turn up to a meeting in the school hall. The next meeting will be held on Friday 21st May at 2.30 pm.

#### CPG Books

We have purchased a set of 6 CPG books for every pupil in school from Year 1 to Year 6. We have done this in order to assist parents and carers in supporting children at home with their learning. We are giving these books to you free of charge as we know that this has been a difficult year for everybody.

Mrs. Leavey and Mrs. Holmes will be on the key stage 1 playground after school and Mrs. Clover will be on the key stage 2 playground after school each school day next week. Please refer to the timetable below.

#### Captain Sir Tom Moore Challenge

The school council have met today to discuss ways in which the school can take part in the Captain Sir Tom Moore Challenge. The children have been inspired by Captain Sir Tom and by the words of his daughter, Hannah Ingram-Moore who said:

*"We never imagined the amazing response when my father, Captain Sir Tom, completed his walk last year. We were delighted to raise so much money for good causes and help spread a message of hope. My father received support from far and wide – what made him happiest were the stories of how he had inspired others, particularly children and young people. This year we want schools to inspire the next generation of Captain Toms. All you need to do is decide on your 100 challenge, give it a go on the day and have some fun ... we can raise some money for good causes along the way. "*

We will provide more information and updates on Marsh Hill's Captain Sir Tom Moore Challenge over the course of the summer term.

#### School Closure

Reminder that school is closed on Wednesday 12th May for teacher training day.

I wish you a happy, peaceful and enjoyable weekend

Mr J Cusack
